Chalk Full of Fun on the Square

The Redwood City Parks and Arts Foundation was pleased to host the 3rd annual Chalk Full of Fun on the Square, a two-day chalk festival on July 3rd and 4th in downtown Redwood City. It was a HUGE success!

Participation increased from 75 chalk artists in 2016 to 120 chalk artists in 2017. The footprint of the event increased also to accommodate the increase in the number of artists. In addition to the Courthouse Square, artists worked on a portion of Hamilton and Broadway to accommodate Chalk Alley, the Chalk Tunnel and the Free Chalk Area. The Chalk Tunnel and Free Chalk Area provided visitors with a spontaneous way to participate in the chalking fun.

Artists and visitors participate in Chalk Full of Fun on the 4th free of charge. Through direct contributions from sponsors and members of the community, we raised over \$12,000 to support America SCORES Bay Area, an after-school program provided to Redwood City students through the Redwood City Parks, Recreation and Community Services Department. This is enough funding to expand the program to another school in our district.

The success of this event is directly attributable to the support of the AMAZING event and chalk square sponsors...THANK YOU!
